

BUSINESS OPERATIONS

AdminDeals.com

Better briefs for back-office buying.

PROCUREMENT PUBLICATION + TOOLS

A finished procurement-education platform for lean operations teams, pairing a memorable two-word domain with playbooks, templates, and an interactive savings check.

PUBLIC ASSET INCLUDES

- 01 Multi-route editorial product
- 02 Interactive savings check
- 03 Downloadable buying templates
- 04 Original identity and transferable source

A developed property, *presented without private deal data.*

POTENTIAL BUYER CATEGORIES

- 01 Procurement platforms
- 02 Spend-management software
- 03 B2B marketplaces
- 04 Business-services operators

WHAT THE PUBLIC OVERVIEW DOES NOT CLAIM

No traffic, revenue, savings, customer relationship, third-party endorsement, valuation, or buyer interest is represented.

No named prospect list, internal valuation, negotiation range, account credential, private diligence record, or confidential outreach material is included here.

QUALIFIED INQUIRY PROCESS

01

Inspect

Review the live property and this public overview.

02

Define

Identify intended use, asset scope, and diligence needs.

03

Request

Ask for complete materials through the verified inquiry address.

CONTACT THE HOUSE

inquiries@webassethouse.com

Inbound email is forwarded to the owner through Cloudflare Email Routing. It is not an outbound mailbox or SMTP service.

Any transaction remains subject to independent diligence, owner approval, definitive documents, cleared funds, and secure transfer mechanics. Availability and domain-transfer status must be reverified at transaction time.
