04	Operators with a documented lawful use

WHAT THE PUBLIC OVERVIEW DOES NOT CLAIM

Independent and unofficial; no affiliation, endorsement, authorization, access, or relationship with the named person or any related organization is represented. An acquisition can transfer only the seller’s rights in the domain and identified original site materials. It does not transfer or confer rights in any person’s name, identity, likeness, publicity, privacy, trademark, reputation, services, endorsement, or affiliation. Independent legal diligence is required for the buyer and intended use.

No named prospect list, internal valuation, negotiation range,
